

2018 NGSPA Stud Dog and Professional Training Auctions

The NGSPA is again running a Stud Dog and Professional Training Auction. The auctions were last used in 2016 as fund raisers to support the NGSPA National Championships and were very successful. We are fortunate to have the donated services of some of the very best and most successful trainers that we all see on the NGSPA and GSPCA field Trial Circuits. Also, we have donated stud services of some of the top stud dogs currently being campaigned. Eight of the nine dogs available in the auction were 2017 NGSPA Invitational Qualifiers (Open, Amateur or both) and include the 2017 NGSPA Open Invitational Winner, the 2017 NGSPA Amateur Invitational Winner, the 2017 NGSPA National Champion, the 2017 NGSPA National Amateur Champion, the 2017 GSPCA Grand National Gun Dog Champion the, 2017 NGSPA Open Shooting Dog of the Year and the 2017 NGSPA Amateur Shooting Dog of the Year. For those of you that are fans of the famous "Sonny" line of Shorthairs, we have a breeding donated from what I am told is the last direct Son of "Sonny"! All in all, a very talented and proven selection of both Professional Trainers and Stud Dogs. This is an excellent opportunity for you to get some help from a Professional Trainer or breed your favorite bitch to a proven sire and at the same time help support the NGSPA!
