2021 NGSPA NATIONAL CHAMPIONSHIPS

PREVIEW #2

Greetings From the NGSPA Board of Trustees (BOT);

Merry Christmas from the NGSPA BOT!

The purpose of this preview is to give all of you a quick look at how things are shaping up for the National Championships in 2021 and to encourage all of you to let us know if you have ideas to make the Nationals better.

As this "Preview is being written, the State of Missouri is currently under no COVID-19 restrictions that would prevent holding our 2021 National Championships and planning/preparations for the Nationals continues.

The following Covid 19 information is quoted from State of Missouri information applicable to Wright County (the County where Grovespring is located). The Nationals Committee will continue to monitor National, State and Local COVID-19 restrictions/advisories and, if we receive information applicable to running the National Championships, we will publish necessary changes on the NGSPA website (E).

STATE OF MISSOURI PUBLIC HEALTH WARNING

Michael L Parson, Governor

The country is currently experiencing an extreme outbreak of COVID-19. As we move from fall into the winter months, respiratory illnesses spread more rapidly as people move indoors and environmental conditions change. COVID-19 is following that pattern. The risks will become more serious with the onset of flu season. Every state is affected. Every community is at risk.

If we do not slow the spread of the virus, we risk having our health care systems overwhelmed by COVID-19 patients. This poses a significant risk not only to those suffering from COVID-19, our first responders, and those working in our healthcare systems, but to anyone requiring health care support. This includes people requiring emergency services and ICU access from car accidents to treatment of serious health conditions such as cancer.

We will continue to take a balanced approach to Missouri's COVID-19 response. Our approach is data-driven and based upon the most recent research. We have learned much since the start of the pandemic about how to live and work responsibly in the COVID-19 environment. Until a vaccine is made available to the general population in 2021, the most effective weapon of COVID-19 remains prevention.

PREVIEW #2

We do not need to lockdown our communities if people do the right things to fight the spread of the virus.

Due to extreme COVID-19 risks, the State of Missouri issues the following public health warning to set expectations for all individuals living and/or working in Missouri and for our local jurisdictions.

Personal Behavior Advisory

The foundation for our success in fighting COVID-19 remains individuals doing the right thing. To protect our families, our neighbors, our communities, and our ability to continue our daily lives, we need everyone who is able, to follow these basic principles:

- *Wear a mask at all times in public and other settings outside your home where social distancing is not possible.*
- *Maintain social distance of at least 6 feet wherever possible, and limit close contacts with other individuals to less than 15 minutes/.*
- *Wash hands multiple times a day.*
- *Stay home when sick or if you have symptoms. Self-isolate from other family members.*
- *As much as possible, limit your regular interactions to a small group (<10) of family members.*

The National Committee will be publishing additional information, as necessary. At this time, the Committee is holding off opening the online entry system and publishing the American Field ad. Currently, all dates, times, qualification standards, judges, etcetera contained in Preview #1 are still valid - changes, if necessary, will be published on the NGSPA website ().

SUGGESTIONS: The BOT takes the running of the National Championships very seriously and is doing everything they can to make the Championships a success but, in the end, the Championships belong to the participants. If you have suggestions, we welcome them.

UPCOMING PREVIEWS: We will be sending out several more 2021 NGSPA National Championship Previews. They will be published on the NGSPA Website (ngspa.org) and in the NGSPA Newsletter.

Dean Crabbs,

For the 2021 NGSPA National Championships Committee

Mark Verdoorn, Dan DiMambro, Dean Crabbs, Mike Patrick, Art Armbrust and Robin Lambourn

BIRD DOG HALL OF FAME

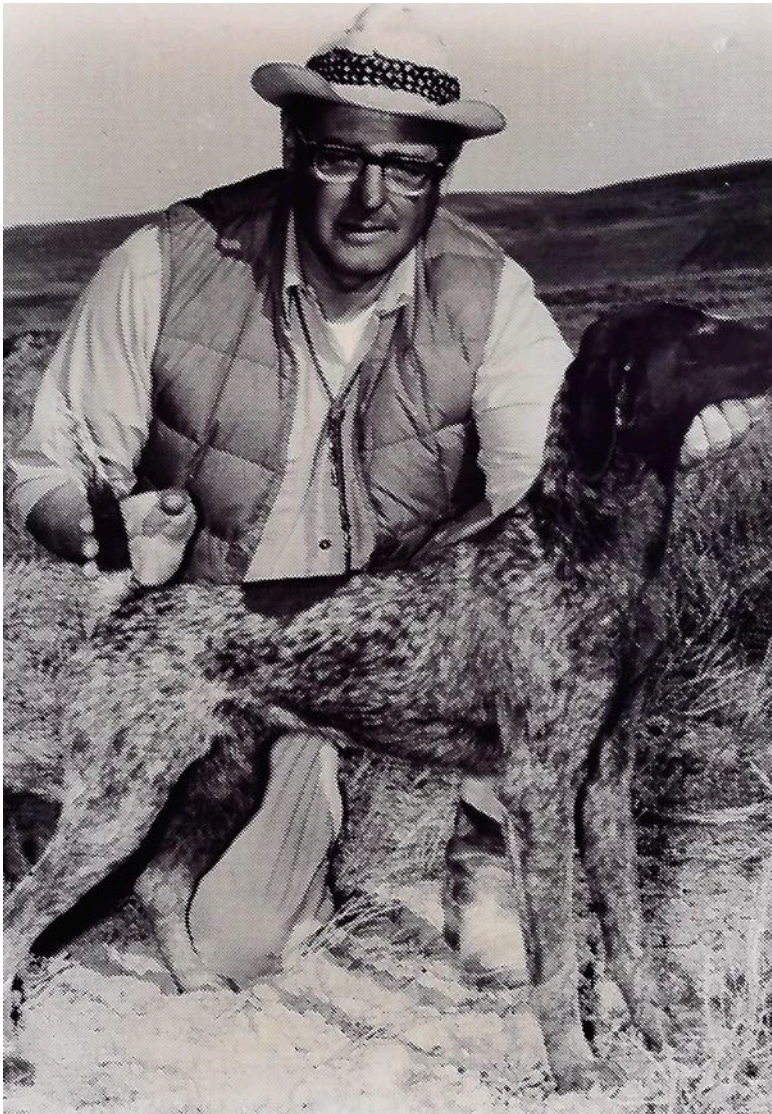

2020 INDUCTEES - PEOPLE

ROBERT HOLCOMB

August 26, 1926 - May 31, 1990

Served 23 years in US Army, Rank Master Sergeant

Awarded Purple Heart in combat in WWII

Robert Holcomb

Robert "Bob" Holcomb started his important contributions to the German Shorthaired Pointer world while serving in the US Army, in the occupation forces in Germany during WWII.

After graduating from high school, in Poulsbo, WA, Bob was accepted to study in the veterinarian school at WSU by elected to enlist in the US Army and was sent to Germany in October 1944. After recovering from a rifle fire combat wound, for which he received the Purple Heart award, he was assigned to the Army Veterinary Service. He spent the remainder of his first enlistment time in Germany supporting veterinary care and treatment of horses, mules and dogs from US forces and local German residents. His final duty order was in caring for and treatment of rescued blooded German horses that were transported to the US. Many of these may have been the legendary Lipizzaner stallions rescued in the infamous US Army "Operation Cowboy".

During these last months, in the now occupation period of WWII, Holcomb

travelled over large areas of Germany treating local horses and dogs. His access to German estates and hunting clubs provided Bob with direct contact with functioning kennels with active dog trainers and game stewards. The hunting skills of these German Shorthaired Pointers and their versatility and trainability really impressed TSgt Holcomb. These experiences and impressions of the value and importance of this breed were held for the rest of Bob's life.

While traveling with the Veterinary Services, Bob saw his future wife, Ottie, doing hunter-jumper training, and became close friends with her and her family. Bob's first love was horses, until that time.

After his discharge, Bob Holcomb returned to the US and attended WSU Veterinary School for a few months but missed the army life and re-enlisted in the spring of 1947. Bob was now married to Ottie and his duties now only included procurement of food for the US Army on the West Coast. Stationed in central California at Fort Ord, Holcomb became an important developer of GSP's for the early developing field trial competition and for hunting companions. He recognized the superlative qualities of Greif vom Hundscheimerkogle and bred his personal Betina v Schwarenberg to Greif and kept a pup, Yunga von Hundscheimerkogle, for his own training and field trial competition. Yunga became Bob's first field trial champion.

Bob eagerly pushed other GSP associates to breed to Greif, even though he was not a field trial champion, yet. This wisdom held true as Greif became one of the Top GSP sires in the USA.

During the early 1950's Holcomb's US Army connections proved to be helpful in arranging

the importation of dozens of GSP's to people in California, like Don Miner of Von Thalberg's Kennel and to Washington for Ralph Parks, the first president of the German Shorthaired Pointer Club of America. Another promoted breeding by Bob was for FC Karin v Greif to be bred to his Young, also a Greif offspring. That breeding produced DC (US/Can) Gretchen v Greif for Ralph Parks.

In the late 1950's Bob re-upped with the US Army and returned to Germany with his family and continued his service in the Veterinary Service procuring beef for US bases. In this role, he increased his involvement with German Shorthaired Pointers. His primary contact was Mr. Ernst Bleckmann, owner of the original von den RADBACH Kennel. Bob stayed at the kennel estate and trained with the German trainers. He was respected enough for his judging knowledge and training abilities that he was taken into the prestigious Club Deutsch Kurzhaar. Bob was one of the very few Americans that were ever asked to judge field trials in Germany. From these experiences, he watched and picked many great dogs to be sent to America, several of these have been named into the GSPC of America Hall of Fame.

When MSgt Holcomb returned to the US in the early 1960's he arranged importing several of Bleckmann's RADBACHS which became the foundation dogs for his kennel in Auburn, WA, which he called RADBACH kennels. Lutz von dam Radbach, though owned by Mr. Alvin Schwager, lived at the Holcomb residence most of his life. Lutz was inducted into the GSPCA Hall of Fame as the top producing sire of field trial and Dual Champions. Bob was officially a professional trainer at that time.

On the Northwest field trial circuit, Bob always had a truck full of totally broke dogs, mostly his GSP's., that always showed lots of style and

manners. He was the man to beat for a couple of decades. Bob trained and handled more than 100 dogs to field trial championship titles. He dominated the Northwest Field Trial Council's "Dog of the Year" awards in the 1960's and 1970's. His import arranged FC/AFC Radbach's B imho, owned by Bill and Helen Peters, and inducted into the. GSPCA "Hall of Fame", won the Dog of the Year five years in a row.

The current Dog of the Year Trophy, awarded by the Northwest Field Trial Council, is given as a memorial to Bob's field trial accomplishments during his life.

Racehorses were Bob Holcomb's first love. At the age of 14, in 1939, Bob was a jockey while his family lived in Ohio. He won a few races in Beulah Park, OH and went with a racing string to Havana, Cuba. Teenaged growth soon put him out of this profession.

At the Auburn, WA kennel and home, Bob and Ottie also breed and raised a few thoroughbred horses and ran them locally at the Longacre's racetrack in Renton, WA. Their best achievement was a mare called "Shooting Pitch" who was honored as Washington's Top Older Filly & Mare Division in 1986.

Bob insisted that his dog training clients join the local GSP clubs and put back into the field trial sport what they have received. He also insisted they attend his training sessions and learn how to properly handle their dogs in the field. For his entire training life, Bob supported local GSP clubs and helped to start both the GSP Club of California and Washington. Many of Bob's clients started the Northwest Field Trial Council, which included clubs for all pointing breeds in WA, OR, and BC, Canada. The Council and some of Bob's other clients helped obtain the Scatter Creek Public Wildlife

Area for use by all field trailers and hunters alike.

If Bob Holcomb had not developed this true love of German Shorthaired Pointers, while under the tutelage of German masters, the breed surely would not be the same today.

BIRD DOG HALL OF FAME

2020 INDUCTEES - DOGS

FC UODIBAR'S SHOOT THE MOON

5/11/2001 - 11/28/2015

Owner: Helen Shelly - Tucson, AZ

FC Uodibar's Shoot The Moon

Moon was bred by John Rabidou and Dr. Frank Vicari and is a product of a mating between KB's Rockin Rollin Rebel and FC Uodibar's Joey Girl. Rebel is by the Dettering's FC Rockin Rollin Billy and Great Clips Pita. Joey Girl was sired by FC Uodibar's Yogi, a son of Hall of Fame NFC/FC Uodibar's Koonas, the #7 all-time sire of FC/AFC's with 37.

Moon showed early promise as a trial dog by placing in 7 juvenile stakes and winning the 2002 GSPCA Futurity before moving to broke

dog competition in January of 2004. He finished his Field

Championship in late 2004 with a four-point win.

He showed promise as a sire with three dogs finishing their FC/AFC titles from an early litter. To date, he has produced 29 FC/AFC titled dogs and stands in the number ten spot on the All-Time Sires list. In 2017, Clint Matthew's male FC Jett ToThe Moon (a Moon son) won the GSPCA National All-Age Championship with Dan Hoke handling.

Records show Moon's get show his impact on the breed by producing 24 Field Champions, 11 Amateur Field Champions, and 2 Grand Field Champions. Included is NAFC/FC/AFC Dunfur's Tule Moon (Max) dame of NGDFC/NAFC/FC/

AFC Dunfur's Emma Frost. Max herself has produced 9 FC and 5 AFC with dogs as young as two years competing today.

On the American Field side, Moon won the 2005 NGSPA National Championship. His American Field production record is 22 winners with a total of 93 wins. He has produced 6 dogs with Championship titles including 2x NGSPA NAC Uodibar's Angelina. Angie had 13 Championships and 3 Runner-ups. Others on the list include Uodibar's Wood Man, Uodibar's Chocolate Thunder,

Uodibar's Against All Odds, Happy Hollow Uodibar's Tex and TJust Lucky Three Spot.

With his ability to pass on his natural abilities through his offspring and beyond, Moon has truly had an impact on the breed and deserves to be a Hall of Fame.

NFC/GFC/FC AFC MSR'S OPALESCENCE

6/27/2006 - 10/22-2016
2011 & 2014 GSPCA National All Age

NFC GFC FC AFC MSR'S OPALESCENCE

Champion
2013 NGSPA National Champion

Opal was bred by the Messer's and is the product of a mating between their Hall of Fame bitch 2004 NAFC/FC/AFC Annie's Little Stinker (Chloe) and NGSPA National Champion GK's Nuke It. Chloe was home bred by the Messer's out of FC/AFC Annie's

Fannie Mae and FC Baron von Blitzkreig IV, a two-time NGSPA National Champion.

Opal's field trial career began the same as most, running in Puppy/Derby stakes with varying degrees of success but showing all the promise needed to pursue field trialing. She finished her Field Championship in 2010, won the 2011 and 2014 GSPCA National All-Age Championships and finished her Grand Field Championship in 2015. Opal had nine first place finishes and amassed 28 points in AKC competition.

In NGSPA (American Field) competition, she won 11 Championships and 7 Runner-Ups. Among those championship wins are the 2013 NGSPA National Championship, and the 2013 NGSPA Prairie Chicken All Age Championship and the 2015 NGSPA Sharptail All Age Championship, both run on native wild birds.

AKC records show Opal produced 5 Field Champions, 3 Amateur Field Champions, 1 Grand Field Champion, and the 2018 National All Age Champion (FC MSR's Quail Commando's Bunker Buster).

American field records show she has produced 4 Champion's to date with many offspring out of her last litter (10/2016) still in competition.

FIELD TRIAL HALL OF FAME

GUIDELINES AND PROCEDURES

PURPOSE:

To identify and honor those persons and dogs, both past and present, whose accomplishments in Field Trial Competition are exceptional, and whose contributions to the sport are outstanding.

CRITERIA FOR SELECTION:

PEOPLE

1. The person must be at least 65 years old.
2. The person should have a significant record as a Field Trial competitor over a sustained period of time.
3. The person should have made a significant and sustained contribution to the sport by “giving back” through donation of time, resources and expertise, (for example: running trials, helping at trials, scribing, judging, providing grounds, encouraging and teaching newcomers, etc., etc.).
4. The person must have exhibited exceptional sportsmanship, integrity, and a history of unselfish giving to the sport.

DOGS

1. The dog must be deceased.
2. The dog must have a distinguished Field Trial record, especially in one hour Championships.
3. The dog must have a record of producing outstanding progeny, both as a competitors and as producers.

PROCESS OF SELECTION:

Nomination and selection occurs on an annual basis. The nominations open January 1 and close August 31 annually. Any individual may nominate dogs and/or persons. It is the responsibility of the nominating person to all relevant data with regard to the nominees' accomplishments, which will support why that person or dog deserves to be considered for this award.

Nomination forms are available on the NGSPA website (www.ngspa.org) or from the Committee Chairman. Completed forms and supporting documentation must be received by the Chairman by the first of September (September 1) each year. If a nominee is not selected to enter “The Hall” in the year nominated, the nominee will remain eligible for consideration for two (2) additional years. Thus, a nomination is valid for three (3) years, at which time, it will expire if the nominee has not been selected into the Hall of Fame. Nominations will not be accepted for a nominee that fails to be selected in the first three year period until a minimum of three (3) years after the expiration of the first nomination.

SELECTION COMMITTEE:

The Selection Committee is comprised of individuals who are selected for their experience, character and integrity in German Shorthaired Pointer field trials, and in breeding superior German Shorthaired Pointers. Their decision on the merits of nominees are independent and kept anonymous. Each year's Honorees will be announced no later than the first of December annually. Individuals elected to the selection committee will serve a 3 year term, and be eligible for one more consecutive second 3 year term.

INTRODUCTION:

Those selected will be formally inducted at ceremonies held at the Hall of Fame (Bird Dog Museum) in Grand Junction, Tennessee, on the Saturday before the beginning of the Pointer National Championship.

Committee members & their dog(s) are ineligible for nomination to the Hall of Fame during their service on the committee.

HALL OF FAME COMMITTEE STRUCTURAL GUIDELINES (These reflect past precedents)

- While the GSP Hall of Fame Selection Committee services at the pleasure of the NGSPA Board of Trustees, its decisions regarding inductees are to be totally independent of the board influence.
- It's operational procedures and membership are subject to the BOT approval.
- The maximum size of the committee is 15.

CHAIRMAN RESPONSIBILITIES

- The Chairman will be responsible to advise the Board of Committee resignations, and to present nominees to the Board for Approval.
- The Chairman will serve as the GSOP representative and present the inductees at the official induction ceremony.
- The Chairman will present proposed changes to procedures and processes to the BOT for approval.
- The Committee Chairman will provide a report at the annual BOT meeting.

FIELD TRIAL HALL OF FAME

2021 NOMINATION FORM

Please note all nominations must be received no later than August 31 of the nomination year.
(Nominations are good for three years).

In order to be nominated, dogs must be deceased. Persons may be nominated, living or dead; however, they must be at least 65 years of age, if still living.

FOR DOGS

In order to be considered, a resume that depicts a candidates complete field trial record in all types of field trial events, the candidate's progeny and their quality. The dogs candidacy should be dependent on his entire competitive career, and the quality of his/her offspring.

FOR PERSONS

Persons to be nominated and selected into the GSP Field Trial Hall of Fame, need to have rendered outstanding service to the sport of field trialing, both at a local and national level for a long period of time. They need to have significant contributions that have made a measurable difference in the improvement to the sport of Field Trialing. Activities such as judging, being a club official, breeder, handler and/or a sustained record of breeding German Shorthaired Pointers which have contributed to the improvement of the GSP as a breed.

Because this is a great honor to bestow upon a person, the Election Committee needs an accurate and complete biography. Incorrect or misleading facts within the biography will cause the nomination to be denied until it is updated and corrected.

I wish to nominate the following person/dog to the 2021 German Shorthaired Pointer Hall of Fame.
