This year will see the addition of a new stake, the first National Amateur All Age Championship! You can participate in person or by advertising in the National Championship Catalog. This catalog is published annually and is distributed at the event. This is your opportunity to be represented. You can showcase your products, dogs, services, club activities and events, or you can simply include a congratulatory accolade.

You need to be represented in this historical issue featuring the elite American Field sanctioned one-hour Championships. This catalog is the source of information about the trial. It is also distributed at other NGSPA events and to NGSPA members throughout the nation. This is a historical reference publication with information on previous winners of the Nationals, the Dogs of the Year, as well as information on the dogs that are competing.
