The National German Shorthaired Pointer Association held another successful running of its National Championships at the Field Trial Sportsmen Association grounds in Grovespring, Missouri. The grounds were well maintained, as always. Thank you to the FTSA for allowing us to run on these world class grounds.

Entries were very strong again this year and slightly higher than last year, with 204 total entries across all stakes. More entries require more help, but we had no shortage of people and sponsors who answered the call and without whom the NGSPA National Championships could not run. Specifically, thank you to Mark Verdoorn, Art Armbrust, and Lori Rezzardi for again serving on the Nationals Committee and

doing much of the heavy lifting. Lori additionally serves as secretary and keeps the trains running on time and the paperwork in order. Dan DiMambro also deserves our gratitude for co-chairing event. Thanks as well to the stake managers: Josh Nieman, Anthony Rusciano, Art Armbrust, Chad Inderman, James Messer, Harvey Franco, Ray Larrondo, and Heath Autry. Thank you to Rich Robertson for waking up early to plant birds and doing anything and everything required throughout the trial. Rich is always a Hall of Fame helper. Finally, thank you to all our judges who traveled from near and far to watch our dogs.

We also do not take for granted the support of our numerous sponsors. Purina deserves special recognition for its loyal support. We enjoyed Terry Tryczinski's company during the amateur shooting dog. Purina again sponsored a steak dinner during the amateur shooting dog and sent the winners home with plenty of Pro Plan. We also thank Garmin for its generous donation of tracking and training collars. SportDog also continued its support with its donation of training collars for the futurity winners. Thank you as well to Dogs Unlimited for its happy hour sponsorship. Finally, we give our sincere thanks to Heritage Tractor in Lebanon, Missouri for loaning us one of its new John Deere Gator UTVs to serve as our dog wagon. Please visit Heritage Tractor the next time you are in the market for a UTV.

The following contributed to the write-up for each stake: Dan DiMambro for the National Amateur Shooting Dog Championship, Harvey Franco for the National Futurity, Anthony Rusciano for the National Championship, and Josh Nieman for the National Shooting Dog Championship.

### **47th NATIONAL AMATEUR SHOOTING DOG CHAMPIONSHIP**

The National Amateur Shooting Dog Championship drew forty dogs, with Chris Meyer and Justin Crook judging. The courses were in great shape, and temperatures varied from cool to hot during the stake. Both judges mentioned how well the trial ran and how all the participants worked together.

The 2023 NGSPA National Amateur Shooting Dog Champion is BMB's Madison Ave, owned by Jennifer and Brandon Blum and scouted by Brandon. This is Madison's second consecutive National Amateur Shooting Dog Championship. She ran in the third brace of the afternoon with temperatures in the low eighties. Madison had finds at 6, 16, 20, 35, and 57. She ran the course as a true shooting dog should, with little handling or scouting required. The judges both commented on how well she handled and how Brandon strategically watered and caught her at spots on the course so the judges could see her race around the edges. They were also impressed that Madison powered through the

heat with little impact on her range or bird finding while other dogs succumbed to the heat.

Chisholm Creek's Cutter Loose, owned and handled by Mark Wasserman, was named the NGSPA National Amateur Shooting Dog Runner-Up Champion. Lucy also ran on course three. Lucy had five well-spaced finds at 12, 19, 28, 40, and 60. All her bird work was flawless. She ran a great shooting dog race that was forward and required little handling. Lucy took the edges and hunted smartly around the course. She was always on the right side of the wind and heading for the likely objectives. The factor that separated the winners was that

Madison had a little more punch throughout the hour.

The judges were impressed with the overall quality of the dogs and handlers. Both of them felt honored to judge this stake and gave all the dogs their undivided attention. The following other dogs, in no particular order also caught the judges' eyes.

Hi-Tailyn Skye, owned and handled by Scott Bodenstab, ran in the seventeenth brace. Skye had a great race, but the judges noted that she showed some immaturity. She did a nice job

nonetheless, with six finds, a snappy race, and impeccable style and manners.

Stoney Hill's Pinnacle Dee, owned by Larry and Kirk Loftin and handled by Kirk, had a powerful race and surged down the edges of course one with complete authority. Dee had two finds at 34 and 40 and one unproductive at 56. The judges commented that Dee would have won the stake if she had a few more finds spaced out in the beginning. They also mentioned that no dog ran a course as well as Dee.

Aunt Troji's Dirty Nike, owned and handled by Larry Metter, had finds at 30, 40, and 44. Nike was not accustomed to the lines and struggled a bit staying on the edges for the entire line at times.

In Country's Hurricane Jane, owned by Robert Reynolds, DVM, and handled by Chris Young, ran in brace eleven. Janie carded finds at 27, 37, 45, 50, and 56, all handled with great style and intensity. She finished her lines and hunted hard and big to the front. The judges were sitting up in their saddle and carried her for a while. They both mentioned that her prolonged absence in the beginning separated her from the winners.

BDK's Sam I Am, owned and handled by David O'Brien, ran in brace twenty and really impressed the judges with his bird finding ability. Sam had five well-spaced finds in great

locations. They did note that he was a little too handy for this stake, which cost him in the end.

Tulli's Shot to the Heart, owned and handled by Joe Amatulli, ran a big forward race and had finds at 21, 28, and 50, and an unproductive at 6. Cupid tore the lines up on course one, but the judges felt that her handler should have held her up in a few spots, watered her, and then let her rip again.

### **3RD NATIONAL AMATEUR CHAMPIONSHIP**

Running for the third time this year, the NGSPA National Amateur Championship has quickly become a big hit among our sport's amateurs. Entries for this stake have grown each year. While the NGSPA has run its National Amateur Shooting Dog Championship for 47 years, amateur owners of all-age dogs on a pro's string previously had to sit on the sidelines at Nationals or risking entering a dog that might be "too much dog for the stake." The National Amateur Championship gives all amateurs an opportunity to run their dogs.

We were fortunate that James Messer and Ken Chenoweth agreed to judge. Both have substantial experience judging our breed and others. Incidentally, Ken also supplied our quail this year, which performed tremendously throughout the trial.

### 2023 NGSPA Futurity Winners

(l:r): John Holcomb; Chase Verdoorn with Holcomb's Lottie Sue; Brandon Blum, Judge; Harvey Franco; James Messer with MSR's Scarlet Witch; Sarah Messer; David O'Brien; Art Armbrust; Robbi Gullede with OB's Little Girl Blue; Ken Chenoweth, Judge; and Keith Gullede

Twin Creek's Running Rocky, owned and handled by Kirk Loftin, separated himself from the pack as the NGSPA National Amateur Champion. Running in the ninth brace, Rocky set the bar high. His run started on the back half of course two and finished halfway through course three. He scored well-spaced finds at 12, 19, 29, and 51. Rocky had the most consistently forward application of the stake, hanging on every edge in the open fields. Whenever the course tightened, Rocky always moved forward, hitting objectives along the way. He was consistently powerful and forward.

BMB's Free Ride, owned by Brandon and Jen Blum and handled by Brandon, also had a strong performance on course two and was named the NGSPA National Amateur Runner-Up Champion. Lewey carded finds at 15, 28, 45, and 56, with an unproductive at 42. Lewey stayed to the front and went with his handler throughout, showing impeccable style on each find. He made several nice moves around Little Vine Loop and up Sycamore Bottom, with a strong finish after his last find. The judges commented that the Champion separated

himself from the Runner-Up Champion with a little more punch, especially towards the end.

The judges commented that H's Am Cruiser, owned by Harlan Higginbotham and handled by Chase Verdoorn, and Uodibar's Robbi Jo, owned and scouted by Sherri Tangsrud and handled by Kirk Loftin, also had performances that pushed the winners. Cruiser was braced with the Runner-Up Champion on course two. He had a comparable performance to his bracemate's with three finds and a back, but with a bit less power. Robbi Jo scored finds at 22, 29, 38, and 45 on course one. Her final find at the top of Horse Killer Hill was especially

nice. Overall, her race could not quite best the winners'.

### 65th NATIONAL FUTURITY

This year's National Futurity included many promising young dogs from which the judges had to make a difficult choice. Ken Chenoweth and Brandon Blum graciously donated their time in the saddle. They placed Holcomb's Lottie Sue first, MSR's Scarlet Witch second, and OB's Little Girl Blue third.

The first and second place dogs both came from the first brace. Scarlet and Sue started off

2023 NGSPA National Shooting Dog Championship  
(l:r): Cindy Orndorff; Joe Orndorff; Mick Cheshire, Judge; Josh Nieman  
with All N's Johnny Be Good; Jerry Langford, Judge; John Rabidou; Rich

Robertson; and Dan DiMambro

briskly to the front in Davis Bottom. Scarlet located a bird on the corner line at 3, standing with great manners and style at the flush. Both dogs made great use of the Island Field to showcase their power, with Sue taking the lead into the next field and both dogs well to the front. As the gallery entered the next field, Scarlet had come from the top line and Sue was seen farther down headed towards Horse Killer Hill. Sue was next observed on point at down the tree line above Horse Killer Hill, standing stylishly for the flush. They both finished well to the front with plenty of gas left in their tanks.

The judges placed Sue first due to a slightly more forward race and Scarlet second.

The third place dog, Janis, ran in brace eight. She started off to the front hunting the likely objectives. She stayed on her lines nicely using the wind to her advantage. Janis continued through the brace hunting hard and to the front. She became more independent as her thirty minutes progressed. She was rewarded with a find at 2 after a big move up the right side. She had a second find at time and earned third place.

### 70TH NATIONAL CHAMPIONSHIP

Randy Anderson and Kent Patterson judged the 2023 NGSPA National Championship. The weather started out cool with a slight breeze and overcast skies, but turned hot and windless by the third day of running. Most dogs had plenty of opportunities to point the abundance of birds that had established small coveys. Enough dogs made the hour with strong runs to make the judges' decision difficult.

The judges crowned BMB's Free Ride the 2023 NGSPA National Champion. Lewey ran on the first day in the third brace. Lewey was last year's National Runner-Up Champion and the 2021 National Champion. The judges stated that Lewey had a strong forward race and required little scouting. Lewey broke away at 10:41 a.m. on course three. Lewey had a strong start racing up the hill to Clubhouse Loop. He was found standing at 6 on the back side of the loop with his bracemate backing. All was in order throughout the small covey flush. The handlers sent the dogs forward, and Lewey once again showed himself moving to the front. Point was called again at 10, with both dogs dug in on a divided find. Lewey remained stylish through the covey flush. Lewey scored again at 13 near the pond on Clubhouse Loop on a single bird. After last being seen heading towards the Twin Barns, Lewey was found standing in Sycamore Bottom at 28 on a two-bird find. The handler and Lewey went on and the handler next showed Lewey across the road making a

big move around the cemetery. Lewey was found standing again at the bottom of the hill on the back of course three. Lewey had a strong finish. Lewey's forward, all-age application and impeccable manners garnered him the 2023 NGSPA National Championship.

The 2023 NGSPA National Runner-Up Champion, BDK's Twelfth Man, is owned by David and Peggy O'Brien and was handled by Keith Gullledge. Aggie ran in brace seven on course one. Aggie had ideal running and scenting conditions on a brisk overcast morning with a light wind. Aggie ranged far to the front after breakaway. His handler pointed him out before crossing the first road into Davis Bottom. Aggie and his bracemate were later found standing in a hedgerow in Davis Bottom. A small covey took flight with everything in order. After a short absence, Aggie was once again found standing on a single bird on a fence line along course left. Aggie was sent on and observed running forward until found standing at 45 in the hedgerow above Horse Killer Hill, with an unproductive taken. Aggie was sent on and moved forward out of sight with plenty of go. Aggie scored his final find at time past the course two breakaway. Manners and style were all in order as a single bird flushed. This superb performance earned Aggie the NGSPA National Runner-Up Champion title.

The judges mentioned the following other contenders that deserve recognition in no particular order. Evergreens Jed Clampet,

owned by Lance Olson and handled by Dan DiMambro, had a nice race with three finds and an unproductive. PW Berts Joke on Us, owned by Keith and Bobbi Richardson and handled by Rich Robertson, also caught the judges' attention with his style and big forward race. Bart had four finds and a strong finish. Running in brace three with the Champion, PW Ben There Done That, owned by Keith and Bobbi Richardson and handled by Rich Robertson, also had a fine performance. Ben scored two finds and a back during his all-age run. Cuttin Wilds Rebel Yell, owned by Mike Patrick and handled by Josh Nieman, also kept things interesting in the fifth brace. Rebel carded two finds and finished his hour strong with plenty of gas left in the tank.

### **53RD NATIONAL SHOOTING DOG CHAMPIONSHIP**

Jerry Langford and Mick Cheshire graciously donated their time in the saddle for the 2023 NGSPA National Shooting Dog Championship. The temperatures were high and the scenting conditions difficult throughout the stake.

The judges selected All N's Johnny Be Good, owned by Gale and Cheryl Graves and handled by Joe Orndorff, as the 2023 NGSPA National Shooting Dog Champion. Johnny ran on the morning of the second day in the second brace. His run started eventfully with a stop to flush about ten seconds after breakaway. Johnny continued on laying down a spectacular run,

with well-spaced finds at 5, 11, 23, 29 and 39. Each piece of bird work came with exceptional style and manners. Johnny scored two of his finds on a limb in locations where no other dog hunted. He is truly a deserving NGSPA National Shooting Dog Champion.

The judges named PW Indian Brook Head's Up, owned by Keith and Bobbi Richardson and handled by Rich Robertson, as the 2023 NGSPA National Shooting Dog Runner-Up Champion. Head's Up ran on course two on the third morning of the stake. He carded four finds with excellent style and manners, having a divided find to start and three well-spaced finds to follow, finishing to the front.

Two other dogs pushed the winners. BDK's Sam I Am, owned by David and Peggy O'Brien and handled by Keith Gullede, scored four finds and a back with a very nice race. Uodibar's Robbi Jo, owned by Sherri Tangsrud and handled by Kirk Loftin, also had an excellent run.

The NGSPA Nationals Committee looks forward to seeing everyone back in Grovesprings in 2024.

2023 NGSPA of Ohio Open Shooting Dog  
(L\_R) Bob Reynolds, Tim McClurg (judge), Chris Young with Janie, Sherrie Tangsrud, Kirk Loftin with Blue & Jeff Currier (judge)

By Robert Reynolds, DVM

The 2023 Running of the Ohio Championship began April 24 at the Tri-Valley Wildlife Area near Dresden, Ohio and concluded on April 28.

The Ohio Division of Wildlife had the clubhouse, kennels, corrals and field trial grounds in excellent condition. Recent cattle grazing and mowing increased the visibility to a near perfect level to watch big-running dogs

compete in this venue. Several out-of-state competitors remarked that they felt that Ohio's Field trial area offered a great championship trial ground.

Our judges for the Open Shooting Dog and the All-Age Championships were Tim McClurg, of Ohio, and Jeff Currier, from Pennsylvania. Both are long time field trialers. Al Cropek, from Pennsylvania, and Bill Haynes, from Ohio, judged the Amateur Championship. The first

four days were perfect weather for running dogs, but because of storms and lack of entries, the Derby Classic was not held.

Our judges gave all entries their full attention and many competitors expressed their appreciation of our judiciary.

Our successful trial was made possible by the members of the German Shorthaired Pointer Club of Ohio, who contributed their time and talent for our event. I would especially like to thank our secretary, Jennifer Goodall, Chris Young, Bob Reynolds, Scot and Ann Weslow, Charlie and Laurie Brown, and Gayle Graves, as well as our bird planters, Chris Young and Russ

Roth. They did a terrific job of planting birds and keeping the trial moving on schedule.

Once again, Purina is to be thanked for their continued support of our field trial events. Sport Dog also provided training collars for our Amateur Champions.

We want to thank our pros that continue to support our trial: Chris Goegan, Dan DiMambro and Joe Orndorff. Thank you to all of the Amateurs who continue to make these trials possible.

# 2023 NGSPA Hawkeye Shooting Dog Championships

2023 NGSPA Hawkeye Amateur Shooting Dog  
(L\_R). Bruce Bryant, Darrin White (judge), Allison Bell w/ Champion Hi-N's Allison Miranda, Kirk Loftin, Sherri Tangsrud w/ RU Champion, Uodibar's Lover Boy, Jarrett Bell (judge) and Jeff Wallace

The German Shorthaired Club of Central Iowa sponsored the 2023 NGSPA Hawkeye Championship which was held on April 29<sup>th</sup> – May 2<sup>nd</sup> at the Branched Oaks Trial grounds in Raymond Nebraska. This years weather included cool mornings which turned into gusty winds for the afternoons.

We would like to THANK this year's sponsors Purina and Dogs Unlimited for their continued support of our Championship. We would also

like to thank our dedicated judges Darrin White, Jared and Allison Bell for their time in the saddle. I would also like to thank Dr Hoehns for graciously volunteering his time to scribe our Amateur stake this year, Jeff Wallace for organizing our trial and Bruce Bryant for all his hard work of planting birds and anything to keep the trial running smoothly.

Darrin White and Jared Bell were the judges for our Amateur Shooting Dog Championship. The Amateur drew 14 extremely competitive entries and scribed by Brent Hoehns.

## **2023 NGSPA Hawkeye Amateur Shooting Dog Championship**

The 2023 renewal of the NGSPA Hawkeye Amateur Shooting Dog Championship was run over the Branched Oaks Field Trial Grounds near Raymond, Nebraska on April 29-30. Judges for this year's event were Darrin White, knowledgeable shorthair man from Treynor, Ia and Jarret Bell breeder/trainer/handler of multiple vizsla champions from Troy, Mo. Windy weather was had throughout the weekend, and the judge's attention to the dogs during uncomfortable weather was noted and appreciated. Their decisions were well received.

This year's Champion was Hi-N's Allison Miranda handled by Kirk Loftin. Runner Up was Uodibar's Lover Boy (Blue) also handled by Loftin. Allie had a flashy forward race and 4 well-spaced finds, "Blue" was named runner up with a 5 find performance in windy warm conditions.

## **THE RUNNING**

### **Brace #1**

The first brace included Hi-N's Allison Miranda (Allie) handled by Kirk Loftin and LSV's

Hammer Down (Hammer) directed by Jim Jorgensen. Both dogs away with good range on a cool morning in the low 40's. Hammer struck first with a nice find at 8 on the buffet line, all in order. Both dogs scored separately in Mushroom Draw- Hammer at 18, Allie at 19 clean stylish work by both charges. Past the dry pond and coming up the hill, both dogs were found standing on two separate finds at 25. Both dogs standing nicely at flush and shot. Both dogs came across the starting bottom without a hitch, crossing the bridge and scoring a divided find at 35. Both dogs steady, both handlers shooting. On the back of the course, Allie had a find at 48 on the levee near the turn-around. She finished well and was found ahead at time. Hammer was lost to judgment near the end of his hour.

### **Brace #2**

The second brace pitted Quijano's WD-40 (Rusty) run by David Quijano against Charlie's Perfect Angel (Mayzie) handled by Elsa Gallagher. Released on the bottom of the back course, both dogs got ahead, crossing the bridge without mishap. Both dogs scoring early and often. Mayzie with 3 nice broke finds at 5, 14, and 28 all well-handled. Unfortunately, she was lost around the 45-minute mark with Gallagher asking for the tracker to finish the effort. Rusty had three finds early, with a find on the Buffet Line pointed from extreme distance with great style, requiring a nice relocation to produce birds. He had a nice limb find for a fourth bird at 39 before being lost at time.

(L-R) Bruce Bryant, Allison Bell (judge), Kirk Loftin Sherri Tangsrud w/ Champion  
Hi-N's Allison Miranda, Mark Wasserman w/ RU Champion BDK's Dirty Harry, Josh  
Nieman, Jarrett Bell (Judge) and Jeff Wallace*

### **Brace #3**

Our third brace paired Twin Creek's Running Rocky (Rocky) handled by Loftin and Cajun's Firecracker (Kadie) with Bruce Bryant navigating. Starting on the back course, Rocky scored at 3 in a thicket on the bottom, all clean. Kadie then scored at 7 near the turnaround on the back course. Nice style and all in order. She scored again at 25 near the new food plots before crossing the creek. At 42, Rocky had a find in Mushroom Draw with Kadie backing. This bird required an extended relocation which ultimately proved successful. Kadie, taken on during the relocation moved ahead, past the dry pond and scored on the next hill with a stylish find at 52. Rocky, trying to gain the front, scored

again at 50 where the old pine draw had been dozed. Both dogs crossed the bottom well, with Kadie making a huge move around the right side of the draw, showing to the front. Kadie finished ahead nicely. Rocky found standing ahead at 61 for a fourth well-handled find at time.

### **Brace #4**

After breaking for lunch, the wind and temperature both rose. Temps to the low 70's, winds at 30 mph making for difficult conditions. Uodibar's Lover Boy (Blue) handled by Loftin was loosed with Mark Wasserman's Chisholm Creek Cut 'Er Loose (Lucy). Both dogs away from the clubhouse, both dogs with separate finds at 7 on the

Buffet Line all in order. Lucy scored at the bottom of Mushroom Draw at 15, nicely located and all in order. Blue pointed in the recently cleared area at 19, all clean with Lucy backing nicely. Both dogs ahead, subsequently found standing together in the field above the dry pond at 26- a nice divided find. Across the wooden bridge, both dogs onto the back of the course. Blue found standing on the levee with a nice find at 38. Both dogs running in warm, windy conditions scoring near the turnaround of the back course. Lucy on the levee at 46, Blue ahead in the draw at 47, clean work all around. Both dogs finished ahead, Blue with a strong, wide forward finish. A nice brace in tough conditions.

### **Brace #5**

Brace 5 was released in the bottom on the back course. Lexi scratched by Loftin because of a recent injury. BDK's Dirty Harry (Harry) had the course to himself with handler Wasserman. Harry unfortunately took a quick left hand turn across the wooden bridge getting out of pocket early, handler asking for the tracker around the 10-minute mark.

### **Brace #6**

Sunday was cooler, but still windy. Brace 6 was released including Pinnacle Dee's Mighty Mouse (Dee) handled by Loftin and Holcomb's Ava handled by Dr John Holcomb. Both dogs released from the clubhouse made nice opening casts with both dogs found standing at 6 on the Buffet Line. Two separate finds, both handled nicely. Both dogs a little erratic in application, but found standing in Mushroom Draw at 18

with Ava pointing, honored nicely by Dee. Released, Dee was seen to point in the field above the Dry Pond, unfortunately Ava failed to back and was picked up. Dee remained forward and scored at 40 on the levee on the back course. She finished ahead in windy conditions.

### **Brace #7**

Our final brace paired Uodibar's Robbi Jo (Robbi) handled by Loftin with Chisholm Creek's Jumping Jax Flash (Flash) under the direction of Wasserman. Robbi had her running shoes on this am, made a big move at the breakaway but was lost around 10 minutes into the brace, Kirk asking for the tracker at 30. Flash moved ahead and scored at 23 in Mushroom draw, requiring a lengthy relocation. Flash pointed again above the dry pond, requiring relocation. Flash wasn't pleasing the handler, who picked up his charge at 32.

## **2023 NGSPA Hawkeye Shooting Dog Championship**

The Open Shooting Dog Championship cast off Monday morning with 23 starters. The cool weather of the morning turned to gusty Nebraska winds in the afternoon. The dry weather and dgusty winds made for challenging conditions this year.

Unfortunately, we did not have a scribe for this stake so no write-up for the shooting dog is available.

As always, it takes a lot of help to put on a field trial. Bruce Bryant and Jeff Wallace both worked tirelessly with entries, setting up the course, serving meals, planting birds and had a host of other chores. Marty Malloy once again provided us with great flying quail. We would like to thank Purina for their unsurpassed support of the field trial game, and specifically for this year's renewal of the Hawkeye Shooting Dog Championship. We would like to also thank Dogs Unlimited for their support of this year's renewal.
