PRESIDENT'S MESSAGE

Welcome to the 71st running of our NGSPA Nationals and the fifth to be held at Grovespring, Missouri—the premier National Championship in the GSP world.

We continue to hear comments each year congratulating the NGSPA for moving our Nationals from Booneville, Arkansas. Our new grounds managed by the Field Trial Sportsmen Association have definitely “raised the bar” of performance required to win any of the stakes. With the added performance demands of our three Invitationals, the NGSPA is clearly focused on the

improvement of the German Shorthaired Pointer breed.

Our Nationals Committee is dedicated to continually improving our Nationals, and they work really hard behind the scenes to put on this remarkable event. Please let them know how much you appreciate the work they have done, and volunteer for some of the important jobs that need to be done to keep everything going smoothly. It can be little things like watering and feeding the quail daily or cleaning off the countertops and tables after our meals. Everything is important, and your help will be much appreciated.

The Board thanks each of you for entering your dogs and competing in our “best in class” National Championships! We hope you have a great time, meet some old and new friends, and enjoy seeing your dog(s) run these grounds. Best of luck to each of you.

We also thank our tremendous sponsors for their support which makes our Nationals possible: Nestlé Purina, Garmin, SportDOG, and Dogs Unlimited. Please be certain to buy their products and support them.

Finally, we are mourning the recent passing of Dean Crabbs, who chaired our National Championships for many years. We can honor his legacy by continuing to build on the solid foundation laid by Dean. Please keep Diane Goracke and the rest of Dean’s family in your thoughts and prayers.

Keith Richardson

President, NGSPA

ACKNOWLEDGEMENTS

The NGSPA National Championships could not be a successful event without a team effort. We would like to applaud the 2024 Nationals Committee members who volunteered their time to make this championship an enjoyable one for all of the participants.

To every amateur and professional handler and owner who attends and supports any of our NGSPA events, we thank you for continuing to make this great sport that we love and enjoy, evolve and flourish. Whether driving the dog wagon, planting birds, emptying an overfilled garbage can, or filling a cooler with ice, we are grateful to anyone who steps in and lends a hand at our National Championships. To those who sponsored the National Championships by purchasing a page in our catalog, donating to the dog wagon, sponsoring a social hour, or sponsoring a dinner, we greatly appreciate your support!

To our corporate sponsors, Nestlé Purina, Garmin, Dogs Unlimited, and SportDOG, we are tremendously thankful for your generosity.

Hats off to our 2024 National Championships judges who traveled across the United States and took time away from their busy schedules and families to evaluate our dogs.

The following are a few of the many to whom we owe a debt of gratitude. If you have the opportunity to cross paths with them on the grounds, please take a moment to shake their hands and extend your thanks for making this the best National Championship in the country!!

- The Field Trial Sportsmen Association Board of Trustees—Don Arnold, Andy Daugherty, and Ken Schmidt—for all their valuable support and cooperation.
- Sheila Davis, owner and chief cook at Sheila's Place, for catering dinner during our National Championships.
- Keith Richardson, the NGSPA President, for his support.
- Mark Verdoorn for obtaining birds, arranging for the necessary bird planting permits, and coordinating with our caterers.
- Lori Rezzardi for receiving and monitoring entries and assisting with collecting payments. Lori is the glue keeping all this chaos together!

- Ken Chenoweth for providing us with our National Championship quality quail.
- Keith Bryant for his financial expertise as NGSPA Treasurer.
- Art Armbrust for coordinating the dog wagon and happy hour sponsorships.
- Arlene Walker and Brittiny Haberkorn for publishing the NGSPA Newsletter.
- Stake Managers: Art Armbrust, Dan DiMambro, Chad Inderman, Robin Lambourn, James Messer, Harvey Franco, Ray Larrondo, Anthony Rusciano, Josh Nieman, and Mark Wasserman.
- Representatives from Nestlé Purina, Garmin, Dogs Unlimited, and SportDOG.
- Last, but not least, Dan DiMambro and Robin Lambourn, who after many years taking the reins requested to step down this year from co-chairing but were still front and center and incredibly active in the planning and coordinating. The National Championships is a great event due to the hard work, dedication, and thankless job that these two gentlemen contributed. THANK YOU!!!

On behalf of the 2024 NGSPA National Championships Committee,

We wish everyone a safe and enjoyable time at the 2024 NGSPA National Championships,

Anthony Rusciano and Mark Wasserman - Co-Chairmen

Committee Members: Robin Lambourn, Dan DiMambro, Mark Verdoorn, Art Armbrust, and Lori Rezzardi

GSP FIELD TRIAL HALL OF FAME

Purpose:

To identify and honor those persons and dogs, past and present, whose accomplishments in field trial competition and contributions to the sport are exceptional. For dogs, outstanding performance and production records are required.

Criteria for Selection:

People:

1. The person must be at least 65 years old.
2. The person should have a significant record as a field trial competitor over a sustained period of time.
3. The person should have made a significant and sustained contribution to the sport by giving back through donation of time, resources, and expertise (for example, running trials, helping at trials, scribing, judging, providing grounds, encouraging, teaching newcomers, etc.).
4. This person must have exhibited exceptional sportsmanship, integrity, and a history of unselfish giving to the sport.

Dogs:

1. The dog must be deceased.
2. The dog should have a distinguished field trial record, especially in hour championships.
3. The dog should also have a record of producing outstanding progeny, both as competitors and producers.

Process of Selection:

Nomination and selection occur on an annual basis. The nominations open on January 1 and close August 31 annually. Any individual may nominate dogs and/or persons. It is the responsibility of the nominating person to provide all relevant data with regard to the nominee's accomplishments, which will support why that person or dog deserves to be considered for selection. **Nomination forms are available on the NGSPA website or from the Committee Chairman.** Completed forms and supporting documentation must be received by the chairman by the first of September each year. If a nominee is not selected to enter the Hall of Fame in the year nominated, the nominee will remain eligible for consideration for two (2) additional years. Thus, a nomination is valid for three (3) years at which time it will expire if the nominee has not been selected into the Hall of Fame. Nominations will

not be accepted for a nominee that fails to be selected in the first three-year period until a minimum of three (3) years after the expiration of the first nomination.

Selection Committee:

The Selection Committee is comprised of individuals who are selected for their experience, character, and integrity in German Shorthaired Pointer field trials and in breeding superior German Shorthaired Pointers. Their decisions on the merits of nominees are independent and kept anonymous. Each year's Honorees will be announced no later than the first of December annually. Inductees elected to the selection committee will serve a 3-year term and be eligible for one more consecutive 3-year term.

Induction:

Those selected will be formally inducted at ceremonies held at the Hall of Fame (Bird Dog Museum) in Grand Junction, Tennessee, on the Saturday before the beginning of the American Field Pointer National Championship in February.

Committee members & their dog(s) are ineligible for nomination to the Hall of Fame during their service on the committee.

Committee Structural Guidelines (These Reflect Past Precedents):

- While the GSP Hall of Fame Selection Committee serves at the pleasure of the NGSPA Board of Trustees, its decisions regarding inductees are to be totally independent of Board influence.
- Its operational procedures and membership are subject to Board of Trustee approval.
- The maximum size of the Committee is fifteen (15).

Chairman Responsibilities:

- The Chairman will be responsible to advise the Board of Committee member resignations and to present nominees to the Board for approval.
- The Chairman will serve as the GSP representative and present the inductees at the official induction ceremony.
- The Chairman will present proposed changes to procedures and processes to the Board of Trustees for approval.
- The Committee Chairman will provide a report at the annual Board of Trustees meeting.

2024 Field Trial Hall of Fame Inductees

Hi-N's Hurricane Express

Kane was born on November 27, 2003, in a litter bred by Jeffery Wallace. He was sired by HOF Kyle's Hightailing Luke and whelped by Cajun's Burning Desire. Hank Lewis acquired Kane as a puppy in 2003. His

name originated from Hank's kids' desire to name him "candy cane," which eventually became Kane.

Kane's legacy includes the honor of being the first dog with the Hi-N prefix, and this distinction has had a significant impact on subsequent generations. Thanks to Kane's contributions, the Hi-N prefix has now extended to eight generations of dogs, leaving a lasting mark on the lineage and the breeding program. His exceptional qualities and bloodline continue to shape and influence the future of the Hi-N dogs.

From an early age, Kane demonstrated remarkable potential as a class bird dog. He began competing in 2007 and went on to have 30 American Field placements and earn AKC Field Champion and Amateur Field Champion titles.

As a producer, Kane has consistently passed on his talents to his puppies. His fourteen progeny with placements have amassed 68 placements. His most notable get is Hi-N's Feed Jake, who won the 2014 NGSPA National Amateur Shooting Dog Championship, 2014 NGSPA Open Shooting Dog Invitational, and 2015 NGSPA National Championship. Cajun's Firecracker "Kadie" also won numerous championships, including the 2019 NGSPA Open Shooting Dog Invitational and Runner Up in the 2018 GSPCA National Amateur Gun Dog Championship.

Jim Yates

Jim started field trialing in the 1980's with German Wirehaired Pointers. He was very active in the local and national clubs for Wirehairs and at the same time supported the GSP clubs in Michigan. He started running German Shorthair Pointers in the late 1980's.

Jim loved the all-age dog. His relentless search for the best prospect was based on watching the dog's application and desire and not looking at the dog's pedigree. He evaluated the dog's independence, gait, style, and staunchness on point. Results of this approach were National and Regional Champion all-age dogs, including the 2000 NGSPA National Champion JimKath's Sin City Siren. You knew when a dog with the "JimKath" prefix came to the line that you were going to see a strong running and honest dog that Jim had a hand in selecting and training.

Jim's knowledge of dogs also made him an in-demand scout. His knowledge of how dogs ran and where they could be found added to his ability to get them in the right spot to show well for the handler. Jim's eye for a talented dog also showed in the endless requests for him to judge. He sat in the judge's seat for both the NGSPA and GSPCA Nationals, numerous American Field Regional Championships, wild bird trials out west, and the NGSPA Pheasant Championships in the east. His reputation carried over to other breeds as well. Jim judged multiple National and Regional Championships for American Field and AKC Pointers, Setters, Weimaraners, Brittanys, Vizslas, and German Wirehaired Pointers. Jim did his share out of the saddle as well. He was an NGSPA board member and served as Chairman of the NGSPA Region 4, Region 13, and Great Lakes Championships. He also belonged to the Lansing GSP and GSP of Michigan AKC clubs and chaired their weekend trials.

Jim Yates was one of a kind that did everything for others and the good of the dog and sport. If he was not planting birds, scouting, or judging, he was riding just to watch good bird dogs. He truly had a passion and a love for field trial dogs that was part of who he was. The example Jim set for others and the legacy he left behind cannot be replaced.
