# 2024 NGSPA National Championship

The 71st Running of the NGSPA National Championships  
March 30, 2024 to conclusion

In Memoriam of Dean Crabbs

The NGSPA National Championships could not be a successful event without a team effort. We would like to applaud the 2024 Nationals Committee members who volunteered their time to make this championship an enjoyable one for all of the participants.

To every amateur and professional handler and owner who attends and supports any of our NGSPA events, we thank you for continuing to make this great sport that we love and enjoy, evolve and flourish. Whether driving the dog wagon, planting birds, emptying an overfilled garbage can, or filling a cooler with ice, we are grateful to anyone who steps in and lends a hand at our National Championships. To those who sponsored the National Championships by purchasing a page in our catalog, donating to the dog wagon, sponsoring a social hour, or sponsoring a dinner, we greatly appreciate your support!

To our corporate sponsors, Nestlé Purina, Garmin, Dogs Unlimited, and SportDOG, we are tremendously thankful for your generosity.

Hats off to our 2024 National Championships judges who traveled across the United States and took time away from their busy schedules and families to evaluate our dogs.

The following are a few of the many to whom we owe a debt of gratitude. If you have the opportunity to cross paths with them on the grounds, please take a moment to shake their hands and extend your thanks for making this the best National Championship in the country!

- The Field Trial Sportsmen Association Board of Trustees—Don Arnold, Andy Daugherty, and Ken Schmidt—for all their valuable support and cooperation.

- Sheila Davis, owner and chief cook at Sheila's Place, for catering dinner during our National Championships.

- Keith Richardson, the NGSPA President, for his support.

- Mark Verdoorn for obtaining birds, arranging for the necessary bird planting permits, and coordinating with our caterers.

- Lori Rezzardi for receiving and monitoring entries and assisting with collecting payments. Lori is the glue keeping all this chaos together!

- Ken Chenoweth for providing us with our National Championship quality quail.

- Keith Bryant for his financial expertise as NGSPA Treasurer.

- Art Armbrust for coordinating the dog wagon and happy hour sponsorships.

- Arlene Walker and Brittiny Haberkorn for publishing the NGSPA Newsletter.

- Stake Managers: Art Armbrust, Dan DiMambro, Chad Inderman, Robin Lambourn, James Messer, Harvey Franco, Ray Larrondo, Anthony Rusciano, Josh Nieman, and Mark Wasserman.

- Representatives from Nestlé Purina, Garmin, Dogs Unlimited, and SportDOG.

• Last, but not least, Dan DiMambro and Robin Lambourn, who after many years taking the reins, requested to step down this year from co-chairing but were still front and center and incredibly active in the planning and coordinating. The National Championships is a great event due to the hard work, dedication, and thankless job that these two gentlemen contributed. THANK YOU!!!

On behalf of the 2024 NGSPA National Championships Committee, We wish everyone a safe and enjoyable time at the 2024 NGSPA National Championships,

Anthony Rusciano and Mark Wasserman - Co-Chairmen

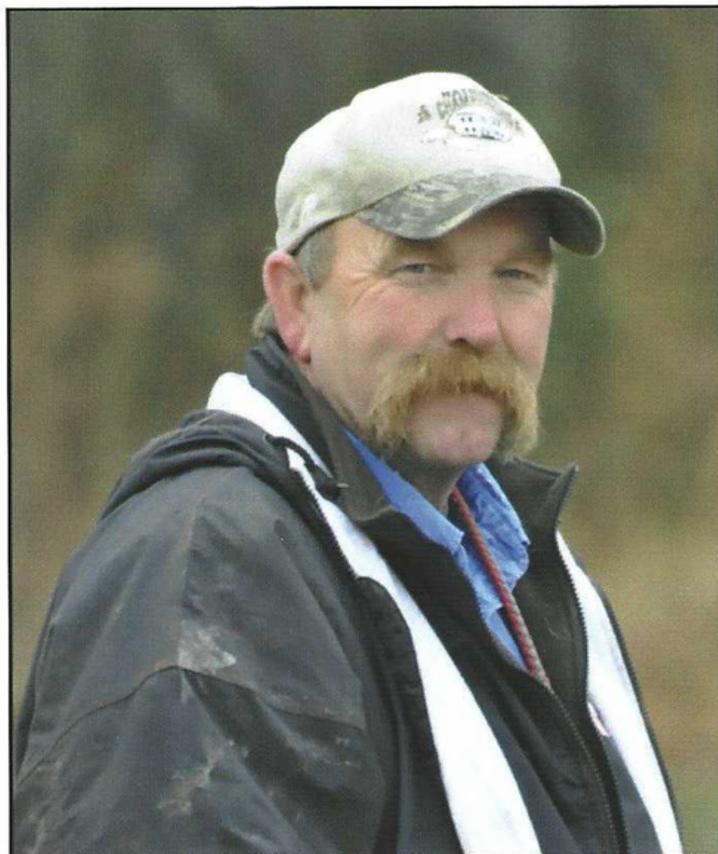

Committee Members: Robin Lambourn, Dan DiMambro, Mark Verdoorn, Art Armbrust, and Lori Rezzardi

# CONGRATULATIONS TO RICH ROBERTSON, JR. INDUCTED INTO THE POINTER/SETTER HALL OF FAME FEBRUARY, 2024

*Pointers/Setters*

## **Richard Robertson Jr.**

“Richie” is a second-generation field trailer. He has been around the field trial world for all his life. Since following in his dad’s footsteps by taking on his own string of dogs in 1983, he has made a reputation for himself in such a manner that his peers have acknowledged his positive impact on field trialing and selfless nature. From taking new trainers under his wing to help shape them into successful trainers to helping mold notable dogs in the sport, Richie has cemented himself into the sport of field trialing. An account of Richie’s personality from his peers maintains the sentiment of his selfless nature. While he is driven to succeed, he is also extremely willing to help others succeed as well. His sportsmanship and kindness are some of the echoing themes from his peers throughout his career and his nominations this year. It is my pleasure to congratulate Richard Robertson Jr. on his induction into the Hall of Fame.

# 2023 NGSPA Pheasant Championship

Wye Island, Maryland. November 3 - 11, 2023

## 2023 NGSPA PHEASANT CHAMPIONSHIP

Sponsored by Purina Pro Plan

November 3-11, 2023

By Anthony Rusciano

The NGSPA Pheasant Championship started on Friday November 3, 2023 at the NRMA on Wye Island, MD. This was a milestone for the Pheasant Championship being that it was the 50 year anniversary for this Championship and the 30th year running on Wye Island. We were honored that some of the past board members, that brought this event to the island, were able to join us and for those that were unable to make the trip you were certainly in our thoughts. This year was the largest group of attendees that this event has had to date. We could not have asked for better weather and the grounds were in excellent condition with ample areas of switch grass to hold our 300+ pheasants. Many of the attendees travel thousands of miles to compete with their dogs and try to pin down a few pheasant finds. While the competition against some of the top GSP's is worth the trip alone, you cannot overlook the great company, the beautiful scenery on the island, some of the best seafood that Maryland has to offer, or the hospitality and social events held by the Pheasant Championship at the clubhouse. A lot of planning and time goes into running the Pheasant Championship and we are VERY APPRECIATIVE of all of the professional handlers and amateurs that select this championship to attend and support.

Purina Pro Plan has sponsored the NGSPA Pheasant championship for many years and we would like to let Purina and Greg Blair know that we are extremely grateful for all that they do for our sport.

Thank you to everyone that volunteered their time to make this championship an enjoyable one for all of our attendees. Whether it was taking entries, planting birds, driving the dog wagon, assisting in the kitchen, being a stake manager, or jumping in where needed, this championship would not be a successful event without a team effort. A special thanks goes to our judges for taking the time out of their busy schedules and away from their families to sit in the saddle and watch our dogs. We would also like to thank the Wye Island NRMA employees, especially Martin Callahan who helps run the event smoothly. Lastly we would like to thank the NGSPA board of directors for trusting us to run this event.

We are not certain as to how long we may be allowed to continue to hold our championships on these grounds and we were reminded of this at this event when we were informed by ranger Martin Callahan that one of our main fields may be eliminated as early as next year. The state is planning to extend their wildlife area and remove the field from crop in order to allow foliage to develop.

Currently, the championship plans on running on these grounds in 2024, but is actively seeking new grounds to call home, if you have not had the opportunity to enjoy the island please consider joining us in 2024 as it may be our last.

Congratulations to all of the 2023 Champions and Runner-Up Champions.

## Derby Classic

Mick Monica, Anthony Rusciano, Mike Mullineaux, Steve Zozzaro with 1st place Monica's Quail Point Sheba, Judge Fred Ryan, Dan Dimambro, April DiMambro with 2nd place RN's High Riden Lizie, Wayne Horner, Judge Nancy Huyser, Lance Fargo with 3rd place Toots Toots Tootsie

## Pheasant Derby Classic

On the afternoon of Friday November 3, 2022 the Pheasant Championship kicked off the event with Fred Ryan and Nancy Huyser judging the Derby Classic. The course that we ran was an out and back, starting at the Boy Scout camp area and only using the left hand side of the island. There was plenty of excitement watching the 17 derby dogs run and handle the open grounds, some encountering their first ever pheasant find.

First place went to Monica's Quail Point Sheba owned by Mick Monica and handled by Mike Mullineaux. Sheba had some nice casts and ran a forward race.

The judges stated Sheba demonstrated that she has the potential to be a nice running, forward moving dog as she matures.

Second place went to RN's High Riden Lizie owned by Ray Nelson and handled by Dan DiMambro. Lizie ran a strong forward race. As a young dog she made some immature moves but she handled kindly and required little scouting by April DiMambro.

Third place went to Toots Toots Tootsie owned and handled by Wayne Horner. This young dog had a solid shooting dog range while jumping in and out of cover. She demonstrated excellent potential and this snappy little dog caught the judges attention.

Congratulations to all the derby owners and handlers on your up and coming dogs. These juvenile dogs are on track to have an outstanding field trial career and we look forward to reading about all of their accomplishments in the future.

The Pheasant Championship would like to sincerely thank all those that participated in this stake.

## Pheasant Amateur Shooting Dog

The judges for the running of the 2023 NGSPA Pheasant Amateur Shooting Dog Championship were Rich Robertson and Dave McKay. Rich is a professional trainer/handler who has joined us for many years at the Pheasant Championship running dogs, so we were honored to have him judge this year.

## Amateur Shooting Dog

(L-R) – Chris Goegan, Giovani Goegan, Stacy Goegan, Judge Rich Robertson, Robert Reynolds, Joe Amatulli, Chris Young, Charles Gonzales with champion Janie, Scott Weslow with RU Champion Blitz, Scotts grandchildren, judge Dave McKay, Anthony Rusciano

Dave is a seasoned amateur handler and has judged numerous pointing dog championships he joined us for the first time this year. The weather for the three day stake was a warm but the sun was shining so we couldn't complain. The majority of the 30 dogs entered in this stake were able to find and produce a good number of pheasants, making it a very competitive and exciting stake to watch.

Champion, "Janie" - In-Countrys Hurricane Jane, is owned by Robert Reynolds and Chris Young and was handled by owner Chris Young. Janie ran in the morning of the first day of the stake in brace 3B. Janie ran a strong forward race and required little handling. She was found standing with exceptional style on all of her Pheasant finds. Janie is a seasoned shooting dog and has great style and manners on her birds. It was Janie's stake as she outshined the competition and was awarded the ASD Champion title

"Blitz" - Hickory Acres All Out Blitz owned and handled by Scott Weslow was awarded 2023 ASD Runner-Up Champion. Blitz came out of the first brace (7A) on day two of the stake. Scott and Blitz have both been to the Wye Island grounds numerous times. It was an emotional runner up champion placement for Scott and his family and it brought a smile to everyone's face watching them receive it. Blitz and Scott did a great job navigating the islands grounds and pinning down a few pheasant finds. Blitz stayed forward and handled kindly for Scott.

Owners Doc Reynolds, Chris Young, Scott Weslow and family have been attending and supporting the Pheasant Championship for many, many years and it was a pleasure to see these gentlemen awarded with placements. The Pheasant Championship would like to sincerely thank all those that participated in this stake.

## **SPORTSMANSHIP AWARD**

Each year the Amateur Shooting Dog judges name an amateur to award the Jerry Albanese sportsmanship award to.

## Open All Age

(L-R)- Anthony Rusciano, Judge Jeanette Tracy, Hank Lewis, Dina Lewis with champion Badger, Mike Mullineaux, Kirk Loftin with RU Rusty, Judge Jeff Currier, Nancy Huyser, Ken Huyser

This award is for the amateur that is goes above and beyond just showing up and running their dog. They help others by scouting for them or by assisting with running the championship more efficiently, all with an outstanding attitude and as a true sportsman. This year's recipient is Dayna Rusciano. Congratulations Dayna on being named this years recipient, we cannot thank you enough for your overwhelming support to the Pheasant Championship.

## Pheasant Open All Age

The judges for the running of the 2023 NGSPA Pheasant All Age Championship were Jeanette Tracy and Jeff Currier. Jeanette is a professional trainer/handler and a veteran on these grounds and has done her share of winning throughout the years. Jeff has won his own share of Championships over his years of field trialing with his string of Brittanys.

CHAMPION "Badger" - Hi-N's Dirty Secret owned and handled by Hank Lewis was in the first brace 1(B). Badger was scouted by Dina Lewis. Badger broke away strong to the front. As we made our way towards the back of the island Hank pointed Badger out to the judges running the edges of the fields. Badger was found standing towards the back corner of the island before the gated back fields on the right side of the island. A Pheasant was produced as Badger stood with manners in order. Badger had another pheasant find shortly after the first one then finished the hour strong and forward running the edge of the field. This performance earned Badger the 2023 Pheasant Open AA Campion title.

Quail Points Black River Rusty has done some winning here on the island and it was no different for this stake as he was named the Runner Up Champion of the 2023 Pheasant All Age. Rusty is owned by Ken and Nancy Huyser and handled by Mike Mullineaux. Rusty ran in the second to last brace (12A).

## Open Shooting Dog

(L-R) – Judge Greg Strausbaugh, Stacy Goodie, Judge Jeff Currier, Kirk Loftin, Sherri Tangsrud with Champion Uodibars Robbi Jo, Christine Conroy, Jesse Conroy, Anthony Rusciano

Rusty wasted no time gaining ground and was pointed out by Mike running forward. Rusty had strong ground speed and great style on his game. The judges stated that the placements were close and between Badger and Rusty it could have went either way. Rusty finished as strong as he started. The Pheasant Championship would like to sincerely thank all those that participated in this stake.

### Pheasant Open Shooting Dog

We were honored to have Greg Straughbaugh and Jeff Currier judge the Open Shooting Dog stake this year. Greg and Jeff are both amateur pointing dog handlers who actively competed in American field championships. The weather made for excellent conditions to run bird dogs. This large stake had 40 dogs and was run over 3.5 days.

Open Shooting Dog Champion came from the second day. On brace (11A) ran Uodibars Robbi Jo - "Robbi" and she caught the judge's attention with her application on the ground and style and intensity on birds.

Robbi is owned by Sherri Tangsrud and handled by Kirk Loftin. Robbi was all business as she rimmed the edges in search of game. Robbi was rewarded with three finds all pointed with style. Robbi was rewarded with three finds all pointed with style. Robbi completed the hour moving forward the same as she started it. Both Sherri and Kirk are strong supporters of the Pheasant Championship and both put a lot of time into field trialing so its no surprise that their dog, Robbi's performance earned her the title of 2023 OSD Pheasant Champion.

Earlier in the stake on day one, in brace 3A, Hi-N's Curtain Call - Charlie owned and handled by Hank Lewis ran. Charlie had two beautiful pheasant finds and a back. Charlie was always forward, and stayed consistent for the entire hour brace. Charlie handled kindly with little need of direction from the handler and required no scouting by Dina Lewis. His performance earned him the OSD Runner up Champion placement. The Pheasant Championship would like to thank all those that participated in this stake.

# 2023 NGSPA Region 3 Championship

Wye Island, Maryland. November 11 - 14, 2023

## 2023 NGSPA REGION 3 CHAMPIONSHIP

Sponsored by Purina Pro Plan

November 11-15, 2022

By Anthony Rusciano

The NGSPA Region III Championship started on Saturday, November 11, 2023, after the conclusion of the NGSPA Pheasant Championship Open Shooting Dog Stake. The championship was run on the scenic grounds of Wye Island, Maryland. Region III is a fun, but challenging championship because although we transition to quail there are still 300+ pheasant running around the island grounds. With an abundance of pheasant still on the grounds from the prior championship and over 300 quail utilized throughout the event the dogs had plenty of opportunities to point game.

Although the NGSPA Pheasant Championship is a tough act to follow and many participants need to leave to return to work obligations, it is necessary for us to make the sacrifice and run this championship because of the lack of NGSPA events we have available on the east coast. Pulling off two NGSPA back to back events with a very small handful of volunteers is draining, but the reward is to see that the attendees are thankful for the efforts. Region 3 is grateful for those that were able to stay and support the event.

To our sponsor Purina Pro Plan and Greg Blair we would like to express our sincere gratitude and huge "Thank You" for your years of sponsorship, it is greatly appreciated. Through your generous donation Purina Pro Plan dog food was awarded to all dogs that placed as well as to our judges.

Special thanks to Dayna Rusciano and Dina Lewis for helping behind the scenes and making sure we were fed. To our judges thank you for taking time away from your busy schedules to watch our dogs, we appreciate your time.

Although this year was our largest turn out of participation unfortunate incidents happen and this year was not without our own challenges. Two judges dropped out last minute and we were unable to replace them so we had to cancel the ASD stake. All of the amateur participants were actually relieved because many of the same dogs, handlers and horses participated throughout both events and they did not want to overdo it and wanted to avoid injuries.

## Region 3 Open All Age

A total of 26 dogs competed in the All Age stake that started on Saturday afternoon November 11, 2023. Our judges were Bo Manounis from New Jersey and Cory Roy from Connecticut. Both gentlemen have spent time in the saddle judging and handling pointing dogs. Bo is an English Pointer owner/handler and Cory is a GSP/Vizsla owner/handler, both judges actively campaign their dogs in American Field events.

"Woody" - HighStanding Cuttin Edge owned by Anthony & Dayna Rusciano ran mid-morning on day two in brace (7B). Handler Dan DiMambro broke Woody away as he stretched out strong, forward and to the front. Woody disappeared and was found standing at 12.

## Open All Age

(L-R) - Judge Cory Roy, Dan DiMambro with Champion HighStanding Cuttin Edge Woody Dayna Rusciano, Anthony Rusciano, April DiMambro with RU Chicorees Riden High Trixie, Judge Bo Manounis

Quail were produced as they flew directly over his head he stood with style. Woody was sent on and was found standing at 17 in the far back reaching corner of the large back field on the property past the gates. A pheasant was produced. Woody was once again rewarded with a find at 40, with style and manners. Woody made a huge finishing cast to time around the entire edge of the tree line of the large Boy Scout field. Woody was an all around powerful dog for the hour, he handled kindly earning him 2023 Region 3 All Age Champion.

Runner Up Champion Chicorees Riden High Trixie was in brace (6B) on the second day. Trixie is owned by Rondal Alexander and handled by Dan DiMambro. Trixie is a true all age competitor and has done plenty of winning throughout the years. Trixie started off the hour with a strong forward cast down the tree line as far as the eye could see. She ran a strong all age race around the island in search of game. She was found to the front standing on all of her finds.

Trixie had three evenly spaced finds two small quail coveys and a Pheasant. She stood her birds with great style and manners and was able to pin down a moving Pheasant. Trixie's ground speed and style complemented this year's Champion.

The judges complemented that there was some really great competition and they appreciated watching these strong running dogs navigate the grounds. They said that all dogs pointed game unless the handler called for the tracker due to a lost dog. The judges noted that they were splitting hairs with a few of the dogs but that the Champion and Runner Up had no flaws and stood out amongst the others for this stake. Thank you to all participants in this year's Region III All Age Championship.

## Open Shooting Dog

(L-R) - Judge Mike Mullineaux, Kirk Loft, Sherri Tangsrud with Champion Dee, Judge Cory Roy, Barry Bollinger, Jesse Conroy with RU Blaser

### Region 3 Open Shooting Dog

Our Open Shooting Dog had 30 dogs judged by Mike Mullineaux and Cory Roy. Mike is a seasoned professional trainer/handler who has won many times at Wye Island. Due to the added cover this year it increased our quail planting areas thus providing extra opportunities for the dogs to encounter game.

Champion was awarded to Stoney Hills Pinnacle Dee "Dee" owned and handled by Kirk Loftin and scouted by Sherri Tangsrud. The saying save the best for last applies here as Dee was in the last brace 15A. Dee was the 2022 Region 3 OSD runner up champion. As always Dee started off with a strong forward race to the front. Dee had two small quail covey finds, one within the first 10 minutes on course and the second in the last 10 minutes. She had impeccable style and manners on her game. Throughout the stake Dee hunted hard seeking game but handled kindly when needed. Dee finished the hour strong and had no let down. Dee's performance rewarded her with the 2023 Region III Open Shooting Dog Champion title.

Out of brace 8A came this years runner up champion Huntem Ups Aim To Impress Blaser. Blaser is owned by Kaj Larson and handled by Barry Bollinger. This was a big win for Barry and Blaser and was his first at Wye Island. Blaser had 3 quail finds all with great style and manners. She ran a good shooting dog race and stayed to the front. Barry handled kindly and Blaser required little to no scouting as she took to the edges and was all business. She finished with the hour plenty of fuel left in her tank. A first rate shooting dog performance earned Blaser the Championship win.

Congratulations to all dogs that placed. Thank you to all who attended Region 3 we appreciate your support.

# 2024 Region 12 Championship

Mesquite, Nevada. January 31, 2024

## NGSPA Region 12 Championship

Mesquite, Nevada

January 31 2024

By: Larry Metter

After taking a year off, the Region 12 Championships were moved to the Mormon Mountains in Mesquite, Nevada. The grounds while somewhat difficult to get to, are spectacular. The courses are set in a valley that is surrounded by mountains which allow the dogs to make nice forward moves up hillsides and still be in plain sight of the judges, handlers and gallery. The weather was primarily overcast with light to moderate rain at times. Although there are washes and ravines throughout the courses, there was never enough rain to get running or standing water. The temperatures were in the 40's-50's and perfect for running dogs – heat was never an issue. The trials had great participation and we had handlers from Texas, Nebraska, Washington, Utah, Idaho, California, Colorado, Arizona and Nevada. The professional trainers that participated were Josh Nieman and Patrick Clark. Richie Roberts was our participant that traveled furthest coming from the Dallas, TX area – our thanks to Richie for putting in the long drive! We'd also like to thank our sponsors Purina and Dogs Unlimited for their contributions.

OAA — Champion Lewey, RU Rebel. Left to right Mick Cheshire, Brandon Blum, Jennifer Blum, Josh Nieman, Brook Flavin, and Steve Cosgrave.

## Region 12 Open All Age

The winner was BMB's Free Ride (Lewey) Owned by Brandon and Jennifer Blum and handled by Brandon. Lewey was it the third brace, and was always forward while making some very nice moves up the numerous hillsides. His first find was at 19" high on one of the hillsides. He handled the flush and shot without any movement and showed great manners. His next find came at 41" on the back side of the course and he again handled it without issue. Lewey then finished very strong to the front completing an impressive all age performance.

# 2024 NGSPA Region 12 Championship

The Runner Up came from the first brace and was Cuttin Wild's Rebel Yell (Rebel) who is owned by Mike Patrick and handled by Josh Nieman. Rebel made a nice first move to the front and was found standing at the base of the first mountain at about 8". He had a total of three finds at 8", 28", and 43" and handled them all without issue. He had a nice strong finish and was awarded RU Champion for his performance.

Open Derby — 1st Rhea, 2nd JoJo, 3rd Zoy. Left to right: Richie Roger's, Brandon Blum, Larry Metter, Patrick Clark and Kieth Bryant.

## Region 12 Open Derby

The winner came out of the second brace and was JRS Zoy (Zoy). Zoy is owned and handled by Richie Roberts. She showed great power and delivered a strong performance. She ran the country with ease and worked for her handler with very little handle. She always showed to the front, had nice stamina and was going away at time.

Our RU Champion was Nike's Air Jordan (JoJo) and came out of the first brace. JoJo is owned and handled by Larry Metter. JoJo and her bracedmate both had strong performances and showed great power and stamina. Both dogs stayed to the front and spent a considerable time hunting the hillsides. JoJo required less work from her handler and was therefore awarded the RU position. Third Place Our third place dog came out of the first brace and was JRS Lady Rhea (Rhea). Rhea is owned and handled by Richie Roberts. As stated above, Rhea had a very strong performance but required a little more handle than her bracedmate which was the primary reason for her placement behind JoJo.

The judges remarked that all of the first three dogs showed great promise and are candidates for future success

## Region 12 Open Shooting Dog

The winner was Aunt Troji's Dirty Nike (Nike) and came out of the first brace. Nike and her bracedmate (Molly) were on point together in under a minute. Both dogs handled the flush and shot without movement. Nike then made a strong move to the front and was found standing just before the first hillside. Again, she handled the flush and shot without incident. Nike made a move up the hillside and forward. Her third find came high on one of the hillsides and it took her handler several minutes to make the steep hike and flush the birds. Again, the bird work was perfect. Nike then made a big move to the front and by the time the judge and handler caught up, she was already ahead of her bracedmate on the hillside. Nike's final find came on another hillside at 47" which she handled without incident. Her final piece of bird work came as she Honored Molly as her handler produced the bird. Both dogs then finished strong to the front.

Open Shooting Dog — Nike 1st, Molly RU. Left to right — Brandon Blum, Larry Metter, Mick Cheshire, Josh Nieman, and Steve Cosgrave

The RU Champion was also in the first brace and was Autry's Natural Chromoly Steel (Molly). As stated above, Molly started her run with a find in under a minute and handled it without issue. She then made a forward move but stayed to the right of the hillsides. She eventually got to the hills and hunted them well. Her next find was on the back course and she handled it properly. Her run was solid but she spent a little more time in the flats while her bracedmate hunted the hills and that was the biggest determining factor in choosing the Champion and RU Champion.
